UK WITHDRAWAL FROM THE EU

Thank you for contacting me about the UK's withdrawal from the EU.

The British people voted in a free and fair referendum to leave the EU. Turnout was larger than at any election since 1992 and no Prime Minister or party in British history has ever received as many votes as the vote to leave did. The UK's withdrawal will be delivered in the national interest and the country will regain its sovereignty in full.

Article 50 has been invoked and the Prime Minister has been clear that there must be no attempts to remain inside the EU, no attempts to re-join it through the back door, and no second referendum. The country voted to leave the European Union, and it is the duty of the Government to make sure that this happens.

Thank you for contacting me about this important issue.

Kind regards,

Craig Whittaker MP
