European Union (Withdrawal) Bill or ‘Repeal Bill’: Programme Motion and Timetable

Thank you for contacting me about the Parliamentary timetable for the European Union (Withdrawal) Bill also known as the Repeal Bill.

The EU (Withdrawal) Bill has eight days in Committee, with eight hours protected every day. It will not be the last occasion on which Parliament will need to discuss Brexit matters. The Bill lays the foundations for the UK’s departure from the EU; it is part of the beginning of the process. There will be a large number of subsequent Bills on new policies, systems and processes that relate to the UK’s departure from the EU, so there will be many opportunities for MPs throughout the House to debate the issues arising from Brexit.

Thank you again for taking the time to contact me.

Kind regards,
