Post-Brexit Passport Design

Thank you for contacting me about the design of the UK passport.

The UK passport is routinely redesigned every five years to guard against counterfeiting. The Home Office is launching the procurement process now to ensure that there is sufficient time to produce and design UK passports from 2019 when the current contract ends.

The timing of any potential changes to the passport after the UK has left the European Union has not been set. However, should a decision be made, I have been assured that Parliament will be informed on the matter.

Thank you again for taking the time to contact me.

Kind regards,

Craig Whittaker MP
